Appendix B – Further Safeguarding information

1 Definitions

1.1 'Safeguarding' is defined in Keeping Children Safe in Education (2023) as;

- protecting children from maltreatment;
- preventing the impairment of children's mental and physical health or development;
- ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and
- taking action to enable all children to have the best outcomes.

1.2 'Child Protection' is the intervention that occurs when children have been significantly harmed or are at risk of significant harm.

1.3 'Child' refers to everyone under the age of 18.

1.4 'Parent' refers to birth parents and other adults in a parenting role for example adoptive parents, step parents and foster carers.

1.5 'Staff' or 'members of staff' refers to all teaching, non-teaching, support, supply, peripatetic, contract staff, governors, volunteers and trustees working in or on behalf of Lyng Hall School.

1.6 Within this policy, we use the term 'victim', although it is recognised that not everyone considers themselves to be a victim or would want to be described in this way. We also recognise the importance of not using the terminology of 'perpetrator' in relation to children in cases where the behaviour can be harmful to both parties. The appropriate use of terminology will be determined on a case-by-case basis.

2 Introduction

2.1 We recognise that safeguarding, child protection, and promoting the welfare of children is an essential part of our duty of care to all students. As such, all staff and governors have a responsibility to provide a safe environment in which children can learn. We understand that safeguarding, child protection and promoting the welfare of all children is everyone's responsibility and that everyone has a role to play in protecting children. We recognise that our school is part of a wider safeguarding system for children and work closely with other agencies to promote the welfare of children. We maintain an attitude of 'it could happen here' and will consider what is in the best interests of each child in line and upholding the Human Rights Act 1998 and Equality Act 2010.

2.2 The purpose of this policy is to;

- Promote safeguarding and child protection and to demonstrate *Lyng Hall School's* commitment to keeping children safe;
- Provide all members of staff with the information required to meet their safeguarding duty and protect children from harm;
- Provide stakeholders with clear information relating to *Lyng Hall School's* safeguarding and child protection procedures;

- Ensure that staff understand, can recognise and can respond to the indicators of abuse, exploitation or neglect;
- Ensure that all staff are aware of their mandatory reporting duty in relation to Section 5B of the Female Genital Mutilation Act 2003; and
- Ensure that children are protected from maltreatment or harm.

2.3 *Lyng Hall School* is committed to the following principles;

- All children have the right to be protected from harm.
- Children should feel safe and secure and cannot learn unless they do so.
- All staff are responsible for keeping children safe and have a responsibility to act if they think a child is at risk of harm.
- All staff take on a responsibility to promote children's welfare
- Providing support to families and/or children as soon as a problem emerges is essential to improving outcomes for children and families.

2.4 Safeguarding aims

2.4.1 The safeguarding aims of *Lyng Hall School*, in line with Keeping Children Safe in Education (September 2023) are to;

- work to identify children who are suffering or likely to suffer abuse, exploitation or neglect and act to protect them;
- work with relevant services and agencies to ensure that children are protected from harm;
- provide a learning environment for children which is safe and secure;
- teach children how to keep themselves safe and provide structures for them to raise concerns if they are worried or at risk of harm;
- support children's mental health and wellbeing;
- ensure that we adhere to safer recruitment guidance and legislation, deal promptly with allegations of abuse against staff and take bullying and harassment seriously;
- train staff effectively in all safeguarding issues (including online safety) and in their responsibilities for identifying and protecting children that are or may be at risk of harm;
- have a designated safeguarding lead and designated deputies, who will provide support to staff, students and families;
- recognise that all children may be vulnerable to abuse, but be aware that some children have increased vulnerabilities due to special educational needs or disabilities or particular protected characteristics (LGBTQ+, etc);
- maintain a robust recording system for any safeguarding or child protection information;
- ensure that everyone in *Lyng Hall School* understands the safeguarding procedures; and to

- regularly review policies and procedures to ensure that children are protected to the best of our ability.

2.5 This policy adheres to the following documents;

2.6 We continue to work closely with the Local Authority and the Coventry Safeguarding Children Partnership to safeguard children during the Coronavirus outbreak.

2.7 Please note that there are a number of other documents (statutory and non-statutory) that inform our policy and practice. A list of these can be found in Annex B of Keeping Children Safe in Education (September 2023).

2.8 This policy should be read in conjunction with the MAT policies available on the school website.

Links to these policies can be found in Appendix A.

2.9 Scope

2.9.1 This policy applies to all teaching, non-teaching, support, supply, peripatetic, contract staff, governors, volunteers and trustees working in or on behalf of *Lyng Hall School* and *Finham Park MAT*. All references in this document to 'staff' or 'members of staff' should be interpreted as relating to the aforementioned unless otherwise stated.

2.9.2 Rather than duplicating content from Keeping Children Safe in Education (September 2023) in this policy, it should be understood that *Lyng Hall School* will always refer to this document as the benchmark for all safeguarding practice.

3.5 Multi-Agency Working

3.5.1 Lyng Hall School is committed to multi-agency working and operates under Working Together to Safeguard Children (2018) and local safeguarding arrangements.

3.5.2 Lyng Hall School will work with Children's Services the Police, Health services, local Early Help practitioners and other relevant agencies to promote the welfare of children and protect them from harm.

3.5.3 We work closely with our local Family Hub to ensure children receive appropriate, co-ordinated Early Help Assessments.

3.5.4 The Coventry Safeguarding Children Partnership (CSCP) have designated that schools and colleges are a named 'relevant agency'. As such, Lyng Hall School is under a statutory duty to co-operate with published CSCP arrangements.

4 Types of abuse

4.1 As outlined above, all staff will be trained in indicators of abuse, exploitation and neglect and should be able to recognise signs of these. We recognise that abuse, exploitation and neglect along with other safeguarding issues are complex and often multidimensional and therefore don't fall solely under one category. Types of abuse or harm can take many forms including directly inflicting harm on a child or failing to protect a child from harm online as well as face to face both inside and outside of Lyng Hall School/college as well as the multi-faceted occurrence of factors causing emotional harm.

The four main types of abuse that staff are trained to recognise are;

- Physical abuse;
- Sexual abuse;
- Emotional abuse;
- Neglect.

4.2 Types of abuse (Taken from Keeping Children Safe in Education, 2023)

Type of abuse	Information
Abuse	A form of maltreatment of a child. Somebody may abuse or neglect a child by inflicting harm, or by failing to act to prevent harm. Harm can include ill treatment that is not physical as well as the impact of witnessing ill treatment of others. This can be particularly relevant, for example, in relation to the impact on children of all forms of domestic abuse. Children may be abused in a family or in an institutional or community setting by those known to them or, more rarely, by others. Abuse can take place wholly online, or technology may be used to facilitate offline abuse. Children may be abused by an adult or adults, or another child or children.
Physical abuse	A form of abuse which may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.
Emotional abuse	The persistent emotional maltreatment of a child such as to cause severe and persistent adverse effects on the child's emotional development. It may involve conveying to a child that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or 'making fun' of what they say or how they communicate. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond a child's developmental capability, as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyber bullying), causing children frequently to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional

	<p>abuse is involved in all types of maltreatment of a child, though it may occur alone.</p>
Sexual abuse	<p>Involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving violence, whether or not the child is aware of what is happening. The activities may involve physical contact, including assault by penetration (for example, rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside of clothing. They may also include non-contact activities, such as involving children in looking at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse. Sexual abuse can take place online, and technology can be used to facilitate offline abuse. Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children.</p> <p>The sexual abuse of children by other children is a specific safeguarding issue in education and all staff should be aware of this and of <i>Lyng Hall School's</i> policy and procedures for dealing with this.</p>
Neglect	<p>The persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. Neglect may occur during pregnancy, for example, as a result of maternal substance abuse. Once a child is born, neglect may involve a parent or carer failing to: provide adequate food, clothing and shelter (including exclusion from home or abandonment); protect a child from physical and emotional harm or danger; ensure adequate supervision (including the use of inadequate care-givers); or ensure access to appropriate medical care or treatment. It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.</p>

4.3 Indicators of abuse can be found in Appendix B.

4.4 If a child is in immediate danger or at risk of harm, a referral will be made to children's services (through the MASH) and any member of staff can make this referral. A Designated or Deputy Designated Safeguarding Lead should be available at all times, but in exceptional circumstances the member of staff should speak to a member of the Senior Leadership Team or seek advice directly from Children's Service and then take appropriate action. The Designated Safeguarding Lead should be made aware as soon as possible.

4.5 Staff, parents and the wider community should report any concerns that they have about the welfare of children, however minor or seemingly insignificant. Staff should not assume that someone else will report concerns.

4.6 Lyng Hall School recognises that any child can be the victim of abuse and may benefit from early help. However, Lyng Hall School will be particularly vigilant to potential need for early help if a child;

- is disabled or has certain health conditions and has specific additional needs;
- has special educational needs (whether or not they have a statutory education, health and care plan);
- has a mental health need;
- is a young carer;
- is showing signs of being drawn in to anti-social or criminal behaviour, including gang involvement and association with organised crime groups or county lines;
- is frequently missing/goes missing from care or from home;
- is a risk of modern slavery, trafficking, sexual or criminal exploitation;
- is misusing drugs or alcohol themselves;
- has a family member in prison, or is affected by parental offending;
- is in a family circumstance presenting challenges for the child, such as substance abuse, adult mental health problems or domestic abuse;
- has returned home to their family from care;
- is showing early signs of abuse and/or neglect;
- is at risk of being radicalised or exploited;
- is at risk of 'honour-based' abuse such as Female Genital Mutilation or Forced Marriage;
- is persistently absent from education, including persistent absences for part of Lyng Hall School day.
- is a privately fostered child.

4.7 *Lyng Hall School* recognises that abuse can take many different forms. Staff will also receive training on the following issues and action will be taken if *Lyng Hall School* believes that a child is at risk of or is the victim of;

- bullying, including cyberbullying, prejudice based and discriminatory

- child criminal exploitation (including involvement in county lines);
- child sexual exploitation;
- domestic abuse;
- emotional abuse;
- fabricated or induced illness;
- faith-based abuse;
- female genital mutilation;
- forced marriage;
- gangs or youth violence;
- gender-based violence;
- hate;
- mental health;
- neglect;
- peer on peer abuse;
- physical abuse;
- radicalisation;
- relationship abuse;
- serious violence and harassment;
- sexual abuse;
- sexual violence or sexual harassment (including peer on peer abuse);
- sharing of consensual or non-consensual nude and semi-nude images/videos;
- So-called 'honour-based' abuse;
- trafficking and modern slavery.

4.8 *Lyng Hall School* will also take action to protect;

- Children missing education;
- Children missing from home or care.

4.8.1 There are other familial issues that can have a detrimental impact on children.

We work with other agencies in line with Keeping Children Safe in Education (2023) to support children and families in the following circumstances;

- Children facing the court procedures and/or children in the court system;
- Children with family members in prison;
- Children who are homeless;
- Children who need a social worker.

4.9 Children potentially at greater risk of harm

4.9.1 *Lyng Hall School* recognises that some children need a social worker due to abuse, neglect or complex family circumstances and that abuse and trauma can leave children vulnerable to further harm, as well as educational disadvantage.

4.9.2 The Designated Safeguarding Lead will hold information relating to social workers working with children in Lyng Hall School.

4.9.3 This information will inform decisions about safeguarding and promoting welfare (including the provision of pastoral and/or academic support).

4.10 Children missing from Education

4.10.1 *Lyng Hall School* understands that children missing from education can be a vital warning sign to a variety of safeguarding concerns including neglect, child sexual and criminal exploitation.

4.10.2 *Lyng Hall School* will report information to the Local Authority when problems are first emerging and always should this result in the removal of a child from roll.

4.11 Elective Home Education

4.11.1 *Lyng Hall School* recognises that many home educated children have a positive learning experience and the decision is one with the child's best interests at heart.

4.11.2 Since 2016, *Lyng Hall School* has a statutory duty to inform the Local Authority of all deletions from roll. When Elective Home Education is the reason for this removal, the Local authority and other key professionals will work alongside *Lyng Hall School* to coordinate a meeting with parents where possible ideally before a final decision is made.

4.12 Mental Health

4.12.1 *Lyng Hall School* recognise that safeguarding and promoting the welfare of children includes preventing the impairment of children's mental health or development.

4.12.2 All staff will be aware that mental health problems may be an indicator that a child is suffering or is at risk of suffering abuse, neglect or exploitation.

4.12.3 Staff will not attempt to make a diagnosis of a mental health problem unless they are appropriately trained.

4.12.4 We recognise that staff are well-placed to observe behaviour that may indicate that a child is experiencing a mental health problem, or is at risk of developing one. There are clear systems and processes in place for identifying possible mental health problems. If staff are concerned that a child is suffering a mental health problem, they should consult with the relevant Pastoral Year Co-ordinator or a member of the safeguarding or senior leadership team who will take the necessary next steps.

4.12.5 If staff are concerned that a child is experiencing a mental health problem that is also a safeguarding concern, they must report this to the Designated Safeguarding Lead (or deputy Designated Safeguarding Lead) immediately.

4.12.6 PYC's have received training in a number of strategies that are effective in supporting students with anxiety or other mental health concerns.

4.12.7 Further information, guidance and advice regarding mental health can be found on page 44 of Keeping Children Safe in Education 2023.

4.13 Children who are Lesbian, Gay, Bi or Trans (LGBT+)

The fact that a child or a young person may be LGBT is not in itself an inherent risk factor for harm. However, children who are LGBT can be targeted by other children. In some cases, a child who is perceived by other children to be LGBT (whether they are or not) can be just as vulnerable as children who identify as LGBT.

Risks can be compounded where children who are LGBT lack a trusted adult with whom they can be open. It is therefore vital that staff endeavour to reduce the additional barriers faced and provide a safe space for them to speak out or share their concerns with members of staff.

LGBT inclusion is part of the statutory Relationships Education, Relationship and Sex Education and Health Education curriculum and there is a range of support available to help schools counter homophobic, biphobic and transphobic bullying and abuse.

5 Responding to signs of abuse

5.1 If a member of staff, parent or member of the public is concerned about a child's welfare, they should report it to the designated safeguarding lead as soon as possible. On occasions when the designated safeguarding lead is not available, it should be reported to the deputy safeguarding lead without delay. Although any member of staff can make a referral to Children's Services where possible there should be a conversation with the Designated Safeguarding Lead.

5.2 If anyone other than the Designated Safeguarding Lead makes a referral to Children's Services or to the police, they should inform the DSL as soon as possible.

5.3 All staff will be alert to indicators of abuse and will report any of the following to the Designated Safeguarding Lead immediately;

- Any concern or suspicion that a child has sustained an injury outside what is reasonably attributable to normal play;
- Any concerning behaviours exhibited by children that may indicate that they have been harmed or are at risk of harm, including unusual changes in mood or behaviour, concerning use of language and/or concerning drawings or stories.
- Any significant changes in attendance or punctuality;
- Any significant changes in a child's presentation;

- Any concerns relating to people who may pose a risk of harm to a child; and/or
- Any disclosures/allegations of abuse that children have shared.

5.4 There will be occasions where a child discloses/alleges abuse directly to a member of staff. If this happens, the member of staff will;

- listen carefully to the child and believe what they are saying;
- not promise confidentiality, as information may need to be passed on so the child and family can receive additional support;
- only ask for clarification if something is unclear and will not ask 'leading' questions;
- report disclosure to the designated safeguarding lead as soon as possible, certainly by the end of the day;
- only discuss the issue with colleagues that need to know about it; and
- will write up the disclosure and pass it to the designated safeguarding lead. It is likely they will have had a discussion with the DSL prior to this but delay should be avoided.

5.5 The designated safeguarding lead will make a decision about the action that needs to be taken following a member of staff raising a concern about a child, or following a direct disclosure recording a clear rationale. The DSL may consider the following options;

- Managing support for the child internally within school;
- Seek advice from the social worker advice line in the MASH;
- Instigate single agency intervention and work directly with the family to improve the situation;
- Offer an Early Help Assessment to provide multi-agency help to a family;
- In cases where children are deemed to be at significant risk of harm, the DSL will refer cases to the MASH for consideration for statutory intervention. Parental consent will be obtained wherever possible before referring cases to the MASH. However, if *Lyng Hall School* is worried that telling parents will mean the child is at greater risk of harm, we may do this without informing them.
- If parents do not consent to a referral but *Lyng Hall School* believes that a child is at significant risk of harm, a referral will still be made to Children's Services.

5.6 For further information about the Coventry Safeguarding Children Partnership's 'Right Help, Right Time' guidance, which is used by *Lyng Hall School* to make decisions about protecting children, please visit <http://www.coventry.gov.uk/righthelprighttime>.

5.7 See page 24 for flowchart of actions that will be taken where there are concerns about a child (taken from Keeping Children Safe in Education, September 2023).

5.8 In cases where members of staff become aware that Female Genital Mutilation (FGM) has been carried out on a female below the age of 18, they have a mandatory duty to report this to the police without delay and will do so. Staff should refer this to the DSL first, but the legislation requires regulated health and Children's Service professionals and teachers in England and Wales to make a report to the police where, in the course of their professional duties, they either;

- are informed by a girl under 18 that an act of FGM has been carried out on her;
or
- observe physical signs which appear to show that an act of FGM has been carried out on a girl under 18 and they have no reason to believe that the act was necessary for the girl's physical or mental health or for purposes connected with labour or birth.

If you believe a child is at risk of FGM, a referral to the MASH is also required.

5.9 *Lyng Hall School* have a duty to refer any children who are living in a private fostering arrangement to the local authority. Private fostering is when a child under the age of 16 (or under 18 if disabled) is cared for by someone who is not their parent or a close relative. This is a private arrangement made between a parent and a carer, expected to last 28 days or more, or *Lyng Hall School* are aware the 28 days has been exceeded.

5.10 All schools are subject to a duty under section 26 of the Counter-Terrorism and Security Act 2015 in the exercise of their functions to have "due regard" to the need to prevent people from being drawn into terrorism. See Appendix B for further information on *Lyng Hall School's* Prevent duty.

5.11 If any member of staff is unsure about signs of abuse or neglect, they should speak to the Designated Safeguarding Lead.

5.12 Child on Child Abuse

5.12.1 *Lyng Hall School* understands that both adults and other children can perpetrate abuse, and can happen inside and outside of school, online or face to face. Child on Child abuse is taken very seriously and can include bullying (including cyber-bullying, prejudice-based and discriminatory bullying), abuse in intimate personal relationships between children, physical abuse, sharing of consensual or non-consensual images of videos, causing someone to engage in sexual activity without consent, sexual violence and/or harassment, upskirting, and initiation/hazing ceremonies. *Lyng Hall School* recognise that safeguarding issues can manifest as child-on-child abuse

5.12.2 All members of staff will be made aware of *Lyng Hall School's* policy and procedures with regards to child-on-child abuse. *Lyng Hall School* will ensure staff understand what is meant by child-on-child abuse and *Lyng Hall School* policy on child-on-child abuse.

5.12.3 *Lyng Hall School* will work to prevent child on child abuse by regular training of staff and awareness raising among the student body and with parents.

5.12.4 Although it is recognised that if there are no reported cases, such abuse may still be taking place. If an allegation of child-on-child abuse is made, *Lyng Hall School* will investigate this and the outcomes referred to the Headteacher or Deputy for a decision about the action to be taken.

5.12.5 In the event that an allegation of child-on-child abuse is made, victims, alleged perpetrators and any other children affected will be supported by the relevant Pastoral

Year Co-ordinators or other preferred members of staff identified by the victim and referral to the MASH will be considered.

5.12.6 Lyng Hall School will never pass off child on child abuse as 'banter', 'having a laugh', 'part of growing up' or other such terminology that does not recognise the harm caused. This should be a Zero-tolerance approach as this could lead to a culture of unacceptable behaviours. It is recognised with this, that all child-on-child abuse is unacceptable and will be taken seriously.

5.12.7 Boarding schools and residential setting information is not relevant in this context.

5.12.8 Lyng Hall School will adhere to guidance set out in Keeping Children Safe in Education (2023) and Sexual Violence and Sexual Harassment in Schools (September 2021) when responding to incidents of child-on-child abuse.

5.12.9 All staff will be made aware that 'upskirting' is a criminal offence.

5.13 Child Sexual Exploitation (CSE) and Child Criminal Exploitation (CCE)

5.13.1 Both CSE and CCE are forms of abuse that occur when an individual or group take advantage of an imbalance in power to coerce, manipulate or deceive a child into taking part in sexual or criminal activity, in exchange for something the victim needs or wants, and/or for the financial advantage or increased status of the perpetrator through violence or threat of violence. CCE and CSE can affect both males and females and can include children that have been moved for the purpose of exploitation (trafficking).

5.13.2 CCE can include children being forced or manipulated into transporting drugs or money through county lines, working in cannabis factories, shoplifting or pickpocketing, vehicle crime, threatening violence on others or even carrying weapons.

5.13.3 Lyng Hall School is responsible for recognising children involved in CCE are victims of exploitation and should be recognised as such due to the the harm they have experienced even if they appear to have consented to the criminal activity.

5.13.4 CSE is a form of child sexual abuse including physical contact and non-contact online activities including the internet or by phone. This can happen over time or as a one off and may happen without the child recognising this as abuse or harmful.

5.13.5 Lyng Hall School recognises that children of the age of 16 and 17 who can legally consent to a sexual relationship may also be the victims of CSE but may not recognise this.

5.14 Sharing of consensual or non-consensual nude and semi-nude images or videos

5.14.1 "Sharing of consensual or non-consensual nude and semi-nude images or videos" refers to any sharing of youth-produced sexual imagery between children. This includes;

- A person under the age of 18 creating and sharing sexual imagery of themselves with a peer under the age of 18;

- A person under the age of 18 sharing sexual imagery created by another person under the age of 18 with a peer under the age of 18 or an adult;
- A person under the age of 18 being in possession of sexual imagery created by another person under the age of 18.

5.14.2 Lyng Hall School has a responsibility to educate children in the risks relating to 'sharing consensual or non-consensual nude images or videos' and how to keep themselves safe online. *An up to date policy and strategy is available in the policy section of the school website.*

5.14.3 Any incidents or suspected incidents of 'sharing consensual or non-consensual nude images or videos' should be reported to the DSL without delay.

5.14.4 Once reported to the DSL, the DSL will decide on the appropriate course of action. This could include;

- Referrals to the MASH in regards to all parties involved (also the police if an urgent response required);
- Confiscation of mobile phones in line with guidance 'Searching, Screening and Confiscation, (January 2018);
- Support for young people involved to prevent reoccurrence;
- Sanctions in accordance with the behaviour policy;

5.14.5 Any incidents of 'sharing consensual or non-consensual nude images or videos' involving the following will result in a MASH and sometimes a Police referral;

- Adult involvement;
- Coercion or blackmail;
- Children under the age of 13;
- Extreme, or violent content;
- Immediate risk of harm.

5.14.6 Staff will not view images or videos on pupil devices. Confiscated devices will be stored securely and passed to the relevant agencies.

5.14.7 We will work with parents as necessary if their child is involved in the sharing of consensual or non-consensual nude images or videos.

5.14.8 We operate a culture of safeguarding and young people should feel confident to disclose if they have sent an inappropriate image of themselves. Children will always be supported to retrieve and delete the images.

5.15 Domestic Abuse

5.15.1 Domestic abuse can be a single incident or a pattern of incidents. It can also include psychological, physical, sexual, financial or emotional acts of abuse.

5.15.2 Lyng Hall School recognises that children can be a victim of Domestic Abuse by seeing, hearing or experiencing the effects or suffering domestic abuse in their own

personal relationships. These all have a detrimental impact on childrens' health, well-being, development and ability to learn. Lyng Hall School buys into operation Encompass and receives notification from the Police if one of our students has witnessed domestic violence which required Police attendance.

5.16 Searching, Screening and Confiscation

5.16.1 Where necessary, searching, screening and confiscation will be used to safeguard a child/children in *Lyng Hall School*.

5.16.2 Lyng Hall School adheres to 'Searching, Screening and Confiscation: Advice for Schools (January 2018).

5.13.3 *Please see searching, screening and confiscation information in the behaviour policy.*

5.17 Online Safety

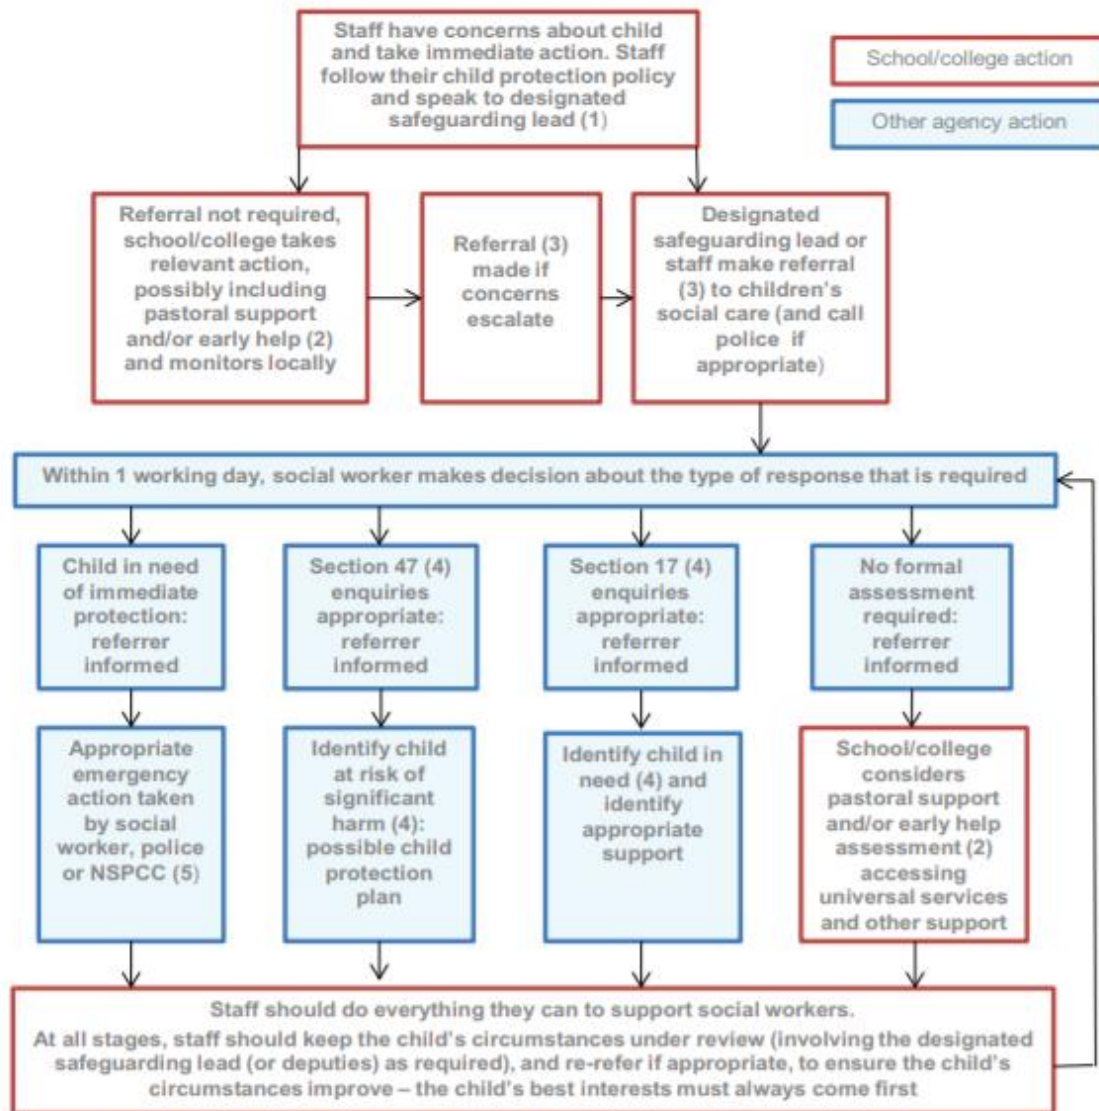

5.17.1 *Lyng Hall School recognises that in today's world, children need to be safeguarded from potentially harmful and inappropriate online material with many children having unlimited and unrestricted access to the internet via their mobile phone. The breadth of issues can be categorised currently into four areas of risk as taken from Keeping Children Safe In Education 2023:*

- *Content – being exposed to illegal, inappropriate, or harmful content (pornography, fake news, racism, misogyny, self-harm, suicide, anti-Semitism, radicalisation, and extremism)*
- *Contact – being subject to harmful online interaction with other users (peer to peer pressure, commercial advertising and adults posing as children or young adults with the intention to groom or exploit)*
- *Conduct – online behaviour that increases the likelihood of, or causes, harm (making, sending and receiving explicit images)*
- *Commerce – risks such as online gambling, inappropriate advertising, phishing and or financial scams*

5.17.2 *Lyng Hall School understand that the above can take place on a students phone or smart device (including smart watches) whilst at school/college or elsewhere. Lyng Hall School have responded to this by having a whole school approach to online safety which aims to protect and educate students, parents and staff in their use of technology.*

5.17.3 *Lyng Hall School has also established mechanisms to identify, intervene in and escalate any concerns highlighted through our filter and monitoring systems for both staff and students. The effectiveness of this is regularly reviewed with staff aware of how to escalate concerns.*

Actions where there are concerns about a child

(1) In cases which also involve a concern or an allegation of abuse against a staff member, see Part four of this guidance.

(2) Early help means providing support as soon as a problem emerges at any point in a child's life. Where a child would benefit from co-ordinated early help, an early help inter-agency assessment should be arranged. Chapter one of [Working Together to Safeguard Children](#) provides detailed guidance on the early help process.

(3) Referrals should follow the process set out in the local threshold document and local protocol for assessment. Chapter one of [Working Together to Safeguard Children](#).

(4) Under the Children Act 1989, local authorities are required to provide services for children in need for the purposes of safeguarding and promoting their welfare. Children in need may be assessed under section 17 of the Children Act 1989. Under section 47 of the Children Act 1989, where a local authority has reasonable cause to suspect that a child is suffering or likely to suffer significant harm, it has a duty to make enquiries to decide whether to take action to safeguard or promote the child's welfare. Full details are in Chapter one of [Working Together to Safeguard Children](#).

(5) This could include applying for an Emergency Protection Order (EPO).

5.18 To raise concerns about children, members of staff should contact the Multi-Agency Safeguarding Hub (MASH) by telephone to discuss the referral. They should then complete the online Multi-Agency Referral Form (MARF) and submit this to the MASH. Lyng Hall School will follow up referrals if we do not receive feedback from Children's Services to ascertain the outcome of all referrals.

MASH Telephone number: 02476 788 555

MASH online referral form: <http://www.coventry.gov.uk/safeguardingchildren>

Out of hours Emergency Duty Team: 02476 832 222

Prevent/Channel Referrals: Refer to MASH (mash@coventry.gov.uk) and to CTU_GATEWAY@west-midlands.pnn.police.uk

5.18.1 If a child's situation does not appear to be improving following a referral, Lyng Hall School may re-refer the child. We will also consider using the Coventry Safeguarding Children Partnership's Managing Professional Disagreements policy to ensure that our concerns have been addressed and that the situation improves for the child.

6 Record-keeping

6.1 All concerns, discussions and decision made will be recorded in writing and kept confidential and stored securely.

6.2 A written record of all safeguarding and/or child protection concerns, discussions and decisions made will be kept in individual children's files. This will be separate from the main school file and will only be accessed by the relevant safeguarding staff.

6.3 *Lyng Hall School keeps all safeguarding files electronically, using a system called CPOMs.*

6.4 Staff will submit all concerns in writing to the DSL at the earliest opportunity. This may be after having a verbal conversation, but conversations will also be followed up in writing.

6.5 In the event that a child moves school, the safeguarding file will be transferred to the new setting securely and separately from the main school file in a timely manner (within 5 days). Once received by the new school, this school will not retain the information.

6.6 Lyng Hall School will seek to hold at least two emergency contacts for every child.

6.7 All data processed by *Lyng Hall School* is done so in line with the General Data Protection Guidelines and the Data Protection Act (2018).

6.8 Further information regarding information sharing and data processing in relation to safeguarding can be found in Part One of Keeping Children Safe in Education (September 2023).

7 Photography and Images

7.1 Consent from parents to photograph children at school events for promotional reasons will be sought when the child joins *Lyng Hall School*.

7.2 Parents can withdraw consent at any time and must notify *Lyng Hall School* if they do not wish their child's photographs to be used.

7.3 Photographs of children used publicly will not be displayed with their name or other identifiable personal information.

7.4 Photographs of children will be processed in line with the General Data Protection Regulation.

8 Early Help Assessment

8.1 *Lyng Hall School* is committed to supporting families as soon as a possible problem arises. It is more effective to support a family through early help than reacting to a problem later. Everyone who comes into contact with children and their families and carers have a role to play in safeguarding children. *Lyng Hall School* is committed to working closely with its neighbouring family hub to work with families in the community to improve outcomes for children.

8.2 *Lyng Hall School* works within the Coventry Safeguarding Children Partnership's 'Right Help, Right Time' framework, available on the CSCP website.

9 Staff training

9.1 In order for staff to be able to understand and discharge their safeguarding and child protection duties, *Lyng Hall School* has committed to training staff throughout the academic year. All staff members will be made aware of *Lyng Hall School*'s safeguarding processes and structures and will receive training on these as part of their induction. As part of this training and their annual refresher, they will also receive;

- This 'Safeguarding and Child Protection Policy';
- The staff Code of Conduct
- Copies of Part 1 and/or Annex A of Keeping Children Safe in Education (September 2021)
- School procedures for Children Missing Education
- *Lyng Hall School* Behaviour Policy

9.2 Staff at *Lyng Hall School* will receive additional training and information updates following DSL briefings, Police and School panel meetings and the Headteachers attendance at the Children's safeguarding board meetings.

9.3 *Lyng Hall School* recognise that children may engage in risky behaviours that may put them at additional risk of danger. These can include drug taking, alcohol abuse, truancy and the sharing of consensual or non-consensual nude images or videos. Staff

will also be trained in these areas in order to be able to further recognise if a child is at risk of harm.

9.4 All staff are aware that children may not feel ready or know how to tell someone that they are being abused, exploited, or neglected, and/or they may not recognise their experiences as harmful. For example, children may feel embarrassed, humiliated, or being threatened. This could be due to their vulnerability, disability and/or sexual orientation or language barriers. This should not prevent staff from having a professional curiosity and speaking to the DSL if they have concerns about a child. It is also important that staff determine how best to build trusted relationships with children and young people which facilitate communication.

10 Safer Recruitment

10.1 *Lyng Hall School* is committed to providing children with a safe environment, in which they can learn. We take safer recruitment seriously and all staff are subject to the following checks;

- Identity check;
- DBS clearance;
- Prohibition from teaching checks (where required);
- Barred List check;
- Section 128 checks (as required - leadership and management);
- Reference check (two references required);
- Professional qualifications check ;
- Right to work in the UK check;
- Further checks for those who have lived outside the UK;
- Disqualification Under the Childcare Act 2006 checks (as required); and
- Verification of the candidate's mental and physical fitness may also be sought.

10.2 A record of all checks completed for members of staff will be recorded on the Single Central Record.

10.3 All new members of staff will be required to obtain DBS clearance. *Lyng Hall School* reserves the right to re-check DBS clearance for any member of staff where information is received that indicates they may pose a risk to children and may request candidates to register on the DBS update service.

10.4 At least one member of every interview panel will have undertaken Safer Recruitment training which it is recommended is refreshed every 2 years.

10.5 We take proportionate decisions on whether to check individuals above and beyond what is legally required dependant on individual circumstance.

10.6 Any visitor to *Lyng Hall School* who has not been subject to the necessary checks will be supervised at all times and a risk assessment completed.

10.7 All safer recruitment practices at *Lyng Hall School* comply with Keeping Children Safe in Education (September 2023). See Part 3 of Keeping Children Safe in Education (September 2023) for further information.

11 Allegations of abuse against staff

11.1 *Lyng Hall School* takes all safeguarding matters including low level concerns and/or allegations that harm to a child has occurred against staff (including agency, volunteers and contractors) seriously and will manage them in line with this policy, Part Four of Keeping Children Safe in Education (September 2023) and the CSCP Guidance, 'Allegations Against Staff and Volunteers'.

11.2 Allegations or concerns may include

- Staff having behaved in a way that has harmed a child, or may have harmed a child;
- Staff possibly committing a criminal offence against or related to a child;
- Staff behaving towards a child or children in a way that indicates that he or she may pose a risk of harm to children; or
- Staff behaving or possibly behaving in a way that indicates they may not be suitable to work with children (including behaviour outside of work). This is known as 'Transferable risk'.

11.3 If a concern or allegation of abuse arises against the Headteacher, or should there be a conflict of interest to the Headteacher, it must be immediately reported to the Chair of Governors *Ghulam Vohra*.

11.4 If a concern or allegation of abuse arises against any member of staff, supply teacher, volunteer or contractor other than the Headteacher, it must be reported to the Headteacher without delay.

11.5 Concerns or allegations of abuse against staff must be reported to the Headteacher or Chair of Governors as appropriate and not discussed directly with the person involved.

11.6 The Headteacher or Chair of Governors should consider if the concern or allegation meets the harms threshold for Designated Officer intervention and seek guidance/advice if unsure by emailing lado@coventry.gov.uk. 'Low-level' concern does not mean it is not significant. This is a term used for any concern (no matter how small) that an adult working with a child may have breached the staff Code of Conduct and does not meet the harm threshold. Examples of which may include:

- Being overly friendly with children
- Having favourites
- Taking photographs of children on their mobile phone
- Engaging with a child on a one-to-one basis in a secluded area or behind a closed door. Or;
- Humiliating pupils.

The details of the LAdo can be found at the front of this policy. Immediate referrals can be made via the following link

https://www.coventry.gov.uk/info/206/coventry_safeguarding_children_partnership/2628/local_authority_designated_officer_lado

11.7 Concerns relating to a position of trust issue will be referred to the Local Authority designated officer within 24 hours. In accordance with *Keeping Children Safe in Education 2023*, Lyng Hall School will make every effort to maintain confidentiality and guard against unwanted publicity while an allegation is being investigated or considered.

11.8 If a child has suffered or may have suffered abuse or harm, a MASH referral will also be made.

11.9 In the instances where an allegation is dealt with internally, the Local Authority designated officer will provide information and support to *Lyng Hall School* in managing the allegation.

11.10 A referral to the Disclosure and Barring Service will be made if a member of staff is dismissed or removed from their post as a result of safeguarding concerns, irrespective of whether they have resigned.

11.11 Supply Teachers and all contracted staff

11.11.1 Although Lyng Hall School does not directly employ supply teachers and contractors, Lyng Hall School will ensure that any concerns or allegations are referred to LADO and the relevant agency informed as the employer.

11.11.2 Lyng Hall School will never cease to use a supply teacher for safeguarding reasons without liaising with the Local Authority Designated Officer and reaching an agreed outcome.

11.11.3 Governing bodies/proprietors will liaise with the supply agency to determine whether to suspend or redeploy the supply teacher whilst they carry out their investigation.

11.11.4 Lyng Hall School will inform supply agencies of its process for managing allegations, including inviting the agency's human resource manager (or equivalent) to meetings and regularly updating agencies on relevant school policies. Lyng Hall School will usually take the lead because agencies do not have direct contact with children or staff, so will not be able to gather information.

11.12 Governors

11.12.1 If an allegation or concern is about a Governor, Lyng Hall School/college will follow local procedures.

11.13 Volunteers

11.13.1 Risk assessments and a DBS check will be requested for all volunteers. Under no circumstances will a volunteer prior to satisfactory checks being completed be alone with children unsupervised or allowed to work in regulated activity.

11.14 Whistleblowing

11.14.1 *Lyng Hall School* operates a culture of safeguarding and all staff should report any concerns about poor or unsafe practice, or *Lyng Hall School's* safeguarding processes to the senior leadership team.

11.14.2 Appropriate whistleblowing procedures are in place whereby the senior leadership team will take all concerns seriously.

11.14.3 In the event that a member of staff is unable to raise an issue with senior leadership in school, they should refer to Part 1 of Keeping Children Safe in Education for additional guidance on whistleblowing procedures.

11.15 Complaints Procedure

Lyng Hall School operates a complaint procedure which will be followed where a pupil or parent raises a concern about poor practice towards a pupil that initially does not reach the threshold for child protection action. Poor practice examples include unfairly singling out a pupil or attempting to humiliate them, bullying or belittling a pupil or discriminating against them in some way. Complaints are managed by the headteacher, other members of the senior leadership team and governors.

Complaints from staff are dealt with under Lyng Hall School's complaints and disciplinary and grievance procedures. (Also refer to Low level concerns)

Complaints which escalate into a child protection concern will automatically be managed under Lyng Hall School's child protection procedures.

12 Promoting safeguarding and welfare in the curriculum

12.1 *Lyng Hall School* recognises the importance of teaching children how to stay safe and look after their mental health and are committed to equipping children with the skills and knowledge to have successful and happy lives.

12.2 Lyng Hall School will teach children about safeguarding, including online safety.

12.3 Schools and colleges play a crucial role in preventative education. Preventative education is most effective in the context of a whole-school or college approach that prepares pupils and students for life in modern Britain and creates a culture of zero tolerance for sexism, misogyny/misandry, homophobia, biphobic and sexual violence/harassment. Lyng Hall School/college will have a clear set of values and standards, upheld and demonstrated throughout all aspects of school/college life. These will be underpinned by Lyng Hall School/college's behaviour policy and pastoral support system, as well as by a planned programme of evidence based RSHE delivered in regularly timetabled lessons and reinforced throughout the whole curriculum (RSHE).

12.3 Children at *Lyng Hall School* will receive regular tutor time activities, visiting speakers and off timetable days as part of our promotion of safeguarding across the curriculum:

12.4 Education at home and remote education

Lyng Hall School continues to operate this policy and KCSIE/WTSC when children are learning at home as part of an agreed online package..

13 Children Looked After

13.1 The most common reason for children to be looked-after is because they have experienced abuse and/or neglect. *Lyng Hall School* recognises that children looked after may have additional vulnerabilities by virtue of this. The Designated Lead for Looked-After and Previously Looked-After Children is...

13.2 Staff will receive training on how to best safeguard children who are Looked-After and who have been Previously Looked-After.

13.3 Lyng Hall School will work with Personal Advisors when children leave care (where applicable).

13.4 *Lyng Hall School* is committed to working with other agencies to ensure the best outcomes for Looked-After and Previously Looked-After children.

14 Children with Special Educational Needs and Disabilities (SEND) or physical health needs

14.1 As outlined in *Keeping Children Safe in Education (2023)*, *Lyng Hall School* is aware that children with additional needs or disabilities may be more vulnerable to abuse both online and offline and additional barriers may exist when recognising abuse and neglect. This could be because;

- assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the child's disability without further exploration;
- being more prone to peer group isolation or bullying (including prejudice-based bullying) than other children;

- the potential for children with SEN and disabilities or certain medical conditions being disproportionately impacted by behaviours such as bullying, without outwardly showing any signs; and
- communication barriers and difficulties in overcoming these barriers.
- Being unable to understand the difference between fact and fiction in online content

14.2 Any reports of abuse involving children with SEND will therefore require close liaison with the designated safeguarding lead and SENCO. Staff will also be trained in recognising signs of abuse in children with SEN and disabilities or certain medical conditions.

14.3 Staff will take into account the needs of a child when responding to concerns of abuse or when taking a disclosure. We recognise that some children require specialist intervention to communicate and advice from the SENCO will be sought in these circumstances.

14.4 Safeguarding learning opportunities within the curriculum will be appropriately differentiated to ensure all children can access it.

15 Use of reasonable force

15.1 There may be very rare occasions when staff are required to use reasonable force to safeguard children. We will not use any more force than is proportionate and necessary and only in extreme situations when all other de-escalation strategies have failed.

16 Work Experience/ Alternative Provision

Lyng Hall School will continue to be responsible for the safeguarding of Students placed with an alternative provision provider or work experience and will be satisfied that this provider meets the needs of the pupil. Written confirmation from the provider that appropriate safeguarding checks have been carried out will be sought on individuals working at the establishment, i.e. those checks that Lyng Hall School would otherwise perform in respect of its own staff.

16.2 The DSL will continue to have oversight of all pupils accessing any part of their learning from an alternative provider or delivery online or offsite provided by any organisation or individual not employed by Lyng Hall School. The DSL will ensure that robust arrangements are in place for timely and effective information sharing of safeguarding information between Lyng Hall School and alternative/external providers.

16.3 The DSL will also take responsibility for ensuring that robust procedures are in place to confirm attendance and to enable the swift reporting of non-attendance and

children going missing from alternative/ external providers at any time when they should be with that provider.

Appendix B – Further Safeguarding Information

Types of Abuse

As outlined in paragraph 4.4, Lyng Hall School will take action if we believe a child is at risk of or is suffering from abuse. Abuse is not limited to physical, emotional, sexual abuse and neglect. For further information on the definitions of the types of abuse below, please refer to Keeping Children Safe in Education (2023), Annex A.

Bullying, including cyber- or online-bullying

Lyng Hall School takes all forms of bullying seriously and will respond sensitively and quickly to any reported bullying. Children should report any bullying to their form tutor, to the DSL or to any trusted member of staff and we will work to resolve it.

Children Missing Education

Lyng Hall School understand that children who go missing from education particularly repeatedly can act as a vital warning sign of a range of safeguarding possibilities including abuse and neglect, which may include sexual abuse or exploitation and child criminal exploitation. It may indicate mental health problems, risk of substance abuse, risk of travelling to conflict zones, risk of FGM or risk of forced marriage. Early intervention is necessary to identify the existence of any underlying safeguarding risk and to help prevent the risks of a child going missing in the future.

Lyng Hall School has a dedicated attendance/safeguarding team who are looking at attendance daily and work closely together with Family Hubs to ensure that early help is offered. The team work with the Early Help Co-ordinator to ensure all children deemed 'vulnerable' are discussed and intervention put in place.

Lyng Hall School is part of operation Perdita where we are informed of children who go missing and as a result we are able to offer support to both children and families and refer to and liaise with other agencies if necessary. Lyng Hall School also receives updated police reports of any criminal activity undertaken by students of Lyng Hall school and again, we are able to offer support and refer to and liaise with other agencies as necessary.

Children Missing from home or care

Lyng Hall School's designated safeguarding lead attends monthly Vulnerable and Missing Children's Action meetings where information and networking takes place.

Our Head teacher is also part of the Coventry Local Safeguarding Board where

information is shared and used to make informed judgements for vulnerable children.

Private Fostering

Lyng Hall School have a duty to refer any children who are living in a private fostering arrangement to the local authority.

We will do this through a MASH referral. It is important that parents/carers inform us if a child is going to be staying at an alternative address to that of their primary care-givers for more than *14 days*.

Indicators of abuse

See below for possible indicators of abuse. (Taken from *What to do if you are worried a child is being abused*, 2015)

- Children with clothes which are ill-fitting and/or dirty;
- Children with consistently poor hygiene;
